## PALS WIN A WET WEATHER BATTLE FROM WAR VETS

Two Games Sandwiched  
Between Showers on  
Fourth

Playing two games under one set of auspices the Pals won a wet weathered sandwich yesterday from the St. Petersburg Legion outfit, 8 to 7 and 9 to 0. Heroic action in the first phase of the engagement saved the day for the locals, who tried out a little monkey business in the early rounds and were unable to do anything in the middle of the contest when they began trying. Making it look close may be an art pleasing to ball players, but it certainly does not accumulate at the box office.

Sanford, who occupied the box for the Pals in the first game, was hit freely; Guinea Quinn, who was loaned to the visitors to throw the balls back to their two demon twirlers, came near being the stumbling block for the locals in the first game. He did individually responsible for at least three of their runs, hitting a homer in the third round and a psychological single in the eighth with two on, both scoring.

In the second game the Pals profited by the close shave in the first game when they had to put five runs across in the ninth to win. Billy Wynne came in from right field and did the pitching, holding the visitors safe at all times, while his teammates were piling up nine scores, a feature being Captain Robinson's homer over the right field fence with three on. Wynne followed with a triple and stole home.

The attendance on Monday and Tuesday was miserable, less than 200 persons going to the park yesterday, and unless it improves considerably during the Leesburg series the season may be cut short here, so far as the present management is concerned. Scores of yesterday's games by innings:

## Baseball Gossip

Leesburg comes here today for three games, the only one they will play with the Pals this season, answering all overtures with the state-

## TIGERS WORST SUFFERERS FROM BASEBALL FOURTH

(By Associated Press)  
New York, July 5.—Holiday games in the major leagues were devoid of fireworks, the aspiring Detroit Tigers sustaining the principal damage when they dropped both ends of a double-header to Speaker's lapping Indians. The Chicago Cubs' double victory over Pittsburgh was the only other twin triumph of the day.

The double reverse suffered by Detroit was a hard blow to Ty Cobb. Morton and Coveleskie were in rare form for Cleveland while the tripe made merry with six Tigers twirlers, winning 4-2 and 11-4.

The Athletics finally took a game from New York, winning the morning encounter 3-1, due to Hasty's fine pitching, but the Yankees gathered in the afternoon fracas, 5 to 1. Sam Jones going the full route effectively for the first time in many moons.

The battling White Sox, with "No-Hit" Robertson in good form, pulled out the morning game against St. Louis, 5-3, but dropped the afternoon contest to the league leaders by a similar score, the Browns taking advantage of Faber's one bad inning.

Rain foiled New York and Brooklyn in the forenoon while in the afternoon the two teams battled to a 5-5 tie in 14 innings. The Robins knotted the count in the ninth and both teams scored in the tenth.

Rogers Hornsby's nineteenth homer of the season was a big factor in St. Louis' victory over Cincinnati, 6-5, in the second game after the Cardinals had dropped a slugging bee, 11-9 in the forenoon.

Hard hitting gave the Cubs a double victory against Pittsburgh, 8-4 and 8-0, Vic Aldridge holding the Pirates to two hits in the second game.

Washington and Boston divided their holiday program, Boston taking the first, 4-3, and Francis pitching the Senators to a shutout in the second 2-0.

Goldie Rapp's great stop, starting a double play with the bases full, checked the osten Braves after they had scored three runs in the ninth and enabled Philadelphia to win the only game these teams played, 5 to 3.

ment that they are booked up for the remainder of the season. If the Pals should take all three of the games here this week, however, it is believed that the Lake County aggregation will consent to play some more, as they figure they can still stay ahead of the Pals and claim state honors if they can win one out of the three here, having taken three from the Pals during their clump on the road recently.

Manuel Villarino is anxious for Palatka fans to know that he has the goods still. In the Gainesville Sun he sends an invitation to Manager

## Leonard Got Big End of the Purse in Battle on Fourth

(By Associated Press)  
Michigan City, Ind., July 5.—Check of the attendance at the lightweight championship contest yesterday between Benny Leonard, titleholder, and Rocky Kansas of Buffalo, N. Y., revealed today that the crowd was just above 1,000, with receipts of \$59,830. While no official announcement was made, it was learned Leonard got \$25,000 for scoring his eight round technical knockout over the Buffalo challenger and Kansas received \$15,000.

Leonard with Billy Gibson, his manager, left today for New York to prepare for his championship engagement with Lew Tendler, the Philadelphia lightweight, to be decided at Jersey City, N. J., July 27.

**CARD OF THANKS.**  
I wish to thank the people of Palatka for the many beautiful floral offerings in memory of my dear husband.—Mrs. W. L. Riles.

Boaz to watch him play first base. The Sun says: Manuel Villarino, who has been cavorting about the first sack for the locals, was used as a shortstop when with the Palatka team. He is of Spanish parentage and made the following request of a representative of the Sun: "Give Mr. Boaz, the manager of Palatka, special invitations to see me play first base. Me so lika short stop, me lika first base. Tell Mr. Boaz come see me play first base." If Mr. Boaz is within hearing distance of Saint Augustine today, "Manuel" is especially anxious that he know of the fact that he will be on the first bag when the game begins.

Valder still has the Indian sign on the Saints, taking his game, an elevator lining affair, yesterday. The Senator will be seen here when the Alachua county aggregation shows up and will probably work against his old team mates.

Attendance has dropped down to where it will be impossible to maintain the high standard of the Pals unless it improves. Rain has, undoubtedly, interfered with attendance, but probably had little to do with the small crowd which witnessed yesterday's game. There was a steady drizzle all afternoon, but those who did attend found no discomfort.

It was stated here this morning that Carter, of the St. Augustine club and Hernandez, of the same organization, would be the battery pair for the Leesburg club in one of the games of the series here. The fans generally have no objection to Hernandez, but there is very decided opposition to Carter, many going so far as to say that they will not attend a game in which Carter plays.

## Gray Let Legion Team Down With 3 Hits Monday

In Monday's game with the St. Petersburg Legion team Gray held the visitors scoreless throughout the nine innings, and permitted but three hits. The Pals did not extend themselves, scoring two runs in the first inning on a home run by Callahan, a base on balls, a hit batsman and an error.

Holden's double in the seventh, an infield out and Peters' single scored another in the seventh. The box score:

THOMAS MEIGHAN IN

"CAPPY RICKS" AT GRAND  
Thomas Meighan, athletic Paramount star, is a brawny sailor's mate in his latest starring vehicle, "Cappy Ricks," which will be the feature at the Grand tomorrow. As Matt Peasley in this refreshing picture of the sea Mr. Meighan is said to have one of the best roles of his stellar career. Mr. Meighan loves the sea and boats, and "Cappy Ricks" gives the star real opportunities in sea scenes. The scenes were made in and near Boston and off the rocky Maine coast, where three sailing vessels and a tug, chartered by Paramount, were employed.

One scene of "Cappy Ricks" reveals a boat propelled toward the treacherous rocks by heavy seas and a high wind. A great risk was taken by the actors of this scene, as it was necessary to brave rough water and the possible danger of being stranded on the rocks.

Mr. Meighan and his crew learned something of navigation in "Cappy Ricks," for in the storm scenes the star was obliged to pilot the tug which went to the rescue of the distressed vessel. Agnes Ayres is leading woman and heads a strong supporting cast.

## BAND CONCERT TOMORROW

The Palatka band will give its usual concert Thursday evening at 7:15 o'clock. In addition to several choice selections, Mrs. W. B. Hammett has been requested to sing "Ruwanee River Moon." Also Phillipso Clark will render his favorite "A Night in June."
